

Dear Valued Guest,

We wanted to reach out to you in these uncertain times – we are saddened by the effect of the coronavirus (COVID-19) in our community and in the world. We would like to reassure you that we always aim to provide the safest environment and food for our guests to enjoy. We have taken additional steps to ensure everyone’s safety, including:

1. **Educating Employees:** All employees have been educated in the signs and symptoms of the coronavirus and the precautions that can be taken to minimize the risk of contracting the virus.
2. **Increased Sanitation Guidelines:** All food-service employees are required to wash hands with soap and water for at least 20 seconds. Employees are encouraged to wash hands frequently. All kitchen and bar employees must use approved gloves when handling food product. Disinfecting wipes are used to wipe down all of the most touched surfaces in the restaurant including, but not limited to, menus, door handles, equipment, etc. Wipes and hand sanitizer are available at the host stand for our guests
3. **Sick Employees:** We want to minimize exposure for both our employees and our guests, and employees are being asked to stay home if they are sick, and not to return until they have been symptom-free for 24-hours
4. **Federal and Local Guidelines:** Fully aligning with the local Department of Health and CDC guidelines.

My team and I will continue to do all that we can to ensure the safety of our team members and guests. We will continue to monitor the situation, and our thoughts are with everyone currently affected by this virus.

Sincerely,
Todd English
